EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Matthew Mulkeen on February 25, 2004.

The application has been amended as follows:

IN THE CLAIMS:

Claim 1, line 5, delete formula

and insert

Claim 13, line 3, delete formula

Claim 14, line 3, delete formula

Claim 15, line 8, delete formula

and insert

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The references alone or in combination fail to teach the specific oil-based solvent as set forth in the formula present in claim 1 in combination with the phosphoric acid ester of claim 1 for an oil-based ballpoint pen ink. Therefore the references are not seen to teach or fairly suggest the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
